From September to June

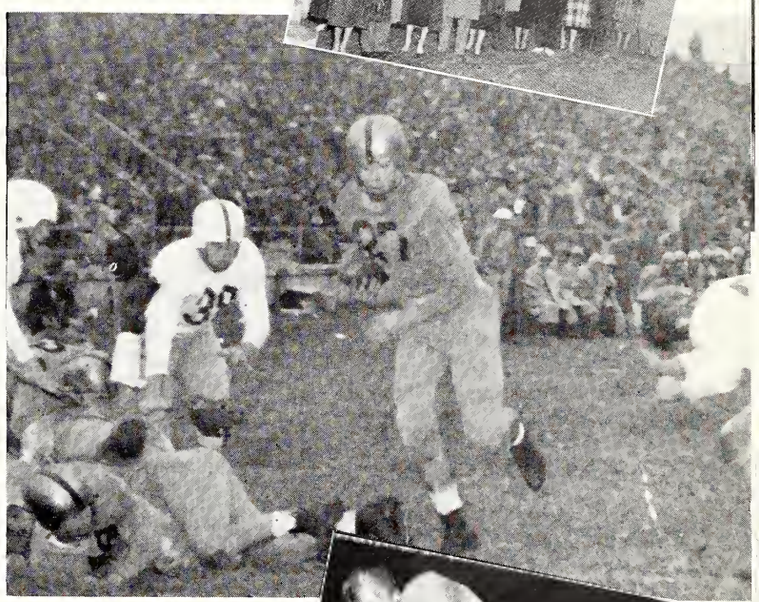

SEPTEMBER

OCTOBER

NOVEMBER

DECEMBER

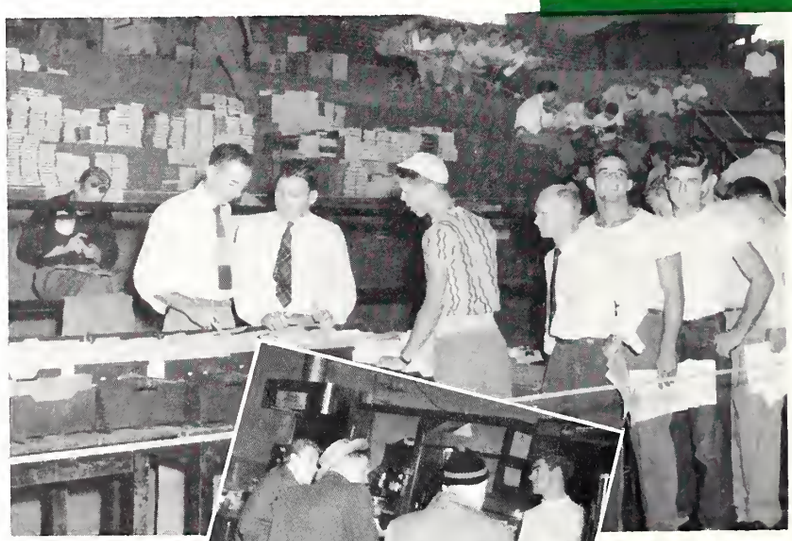

September saw the freshmen mobbing the campus with rat caps, the drag back to school for upperclassmen, and registration with its plague of lines and shattered dreams of no eight-thirty classes . . . Fall denotes football, rush week, Homecoming, and dances. "All the way . . . Terriers" was the battle-cry that plucked the War Eagle of Auburn in the season opener and whipped the Maroons of Eastern Kentucky as the season's finale . . . Rush week with its riproaring fraternity parties proved very successful for all six fraternities, each gaining many new pledges . . . Homecoming brought hard work in preparation for the big parade, bad weather to dampen our spirits, and a fine dance to climax the annual event . . . Claude Thornhill and his sweet music made the Winter Ball in December a successful pre-Christmas event .

JANUARY

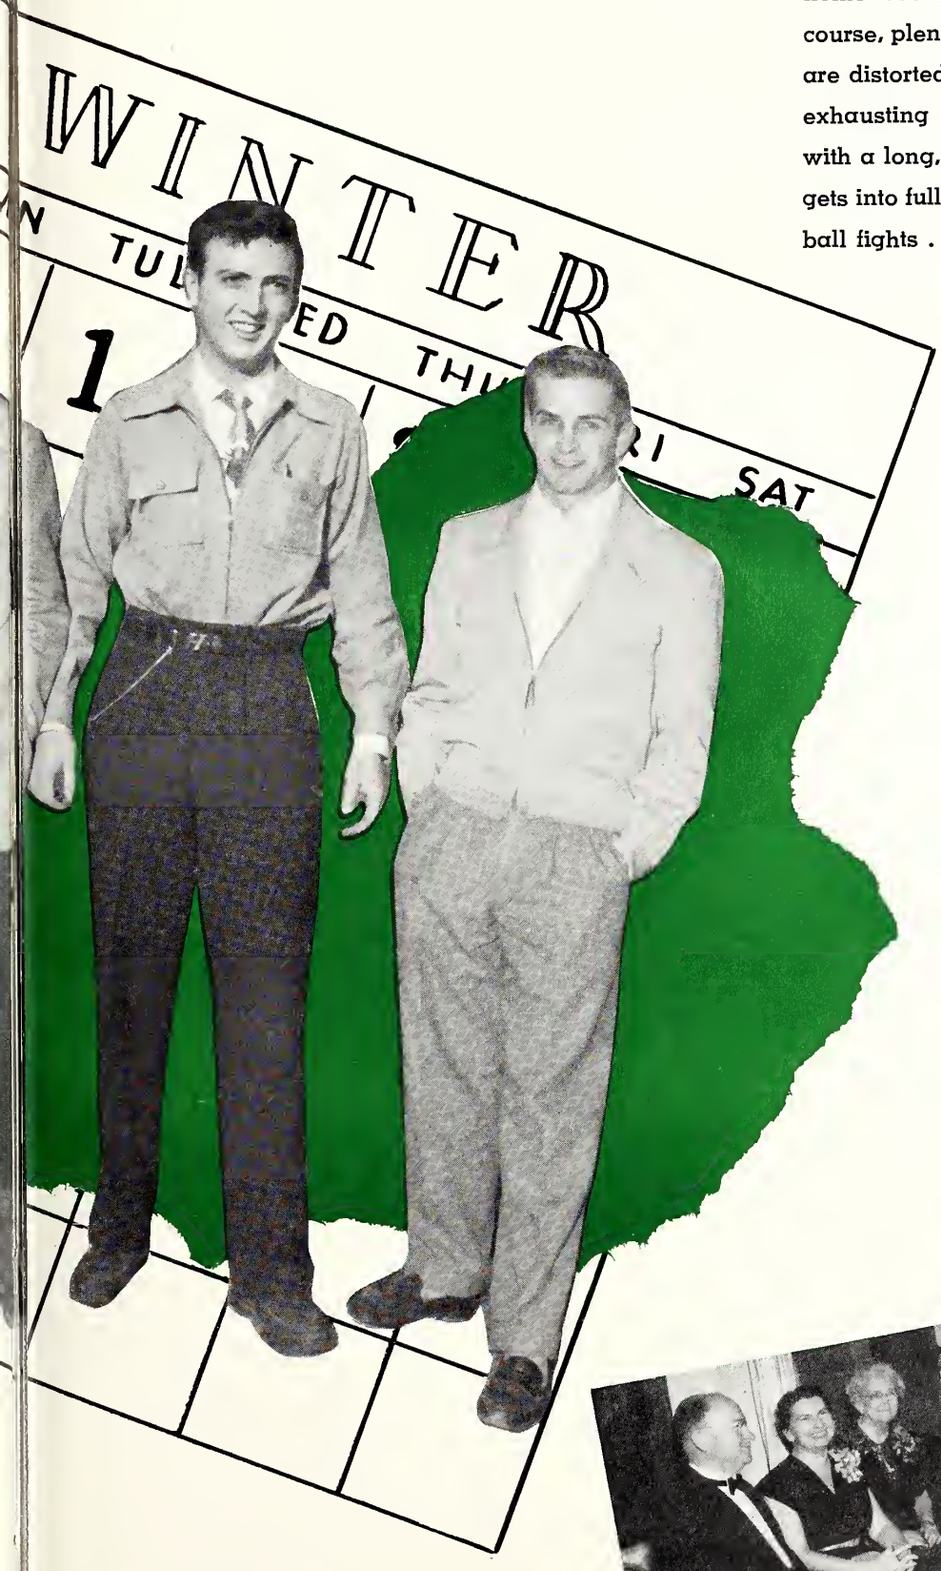

FEBRUARY

September to June . . .

Winter brings the drag back to school from the wonderful Christmas holidays where everyone enjoyed plenty of good home cooking, Christmas presents, parties, dances, and, of course, plenty of the female species . . . These pleasant thoughts are distorted with the thought of those physically and mentally exhausting exams . . . In February the new semester begins with a long, slow, and tiresome registration line . . . Basketball gets into full swing . . . Enough snow falls to arouse a few snow ball fights . . . Fraternities start their big week-ends.

MARCH

From September to June

APRIL

Spring is the time when a young man's fancy turns to what the girls (Winthrop, Converse, Columbia, Limestone, Coker, etc.) have been thinking of all year. But Spring at Wofford is more than that . . . Fraternities are at the peak of their social seasons, each presenting its annual dance, some formal and some in costume. In addition to the fraternity activities, the glee club tours South Carolina spreading the good news of Wofford through music . . . The neighborhood lakes, Rainbow and Lanier, are popular resorts for parties . . . Baseball, golf, tennis, and ROTC field day are other features of Spring . . . For the seniors, it is final classes and graduation, and the end of their college career into the sometime harsh, sometimes kind world of today (hup, two, three, fo').

To you, "Mom" Helms,

WE DEDICATE OUR 1951 BOHEMIAN

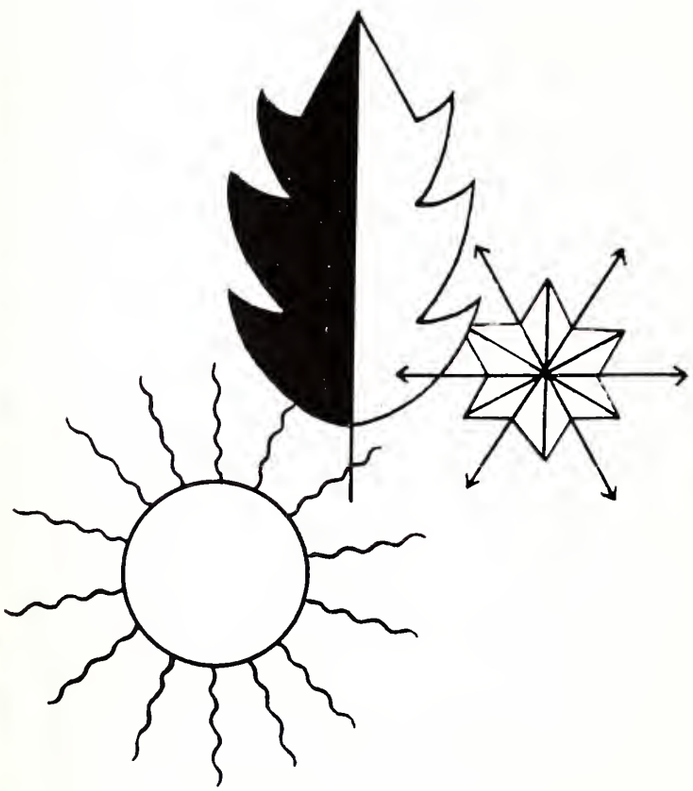

To you, who have gained the love and admiration of every Wofford man under your care;

To you, who for the past eighteen years have reigned with a helpful hand over Snyder Hall;

To you, who will never be forgotten as we remember our college days;

To you, "Mom" Helms, we gratefully dedicate our 1951 Bohemian.

The Student Council

From September to June this group of men, the Student Council, always has something to do, from trying to buy pants for the cheerleaders to sponsoring a dance.

Led by the genial Dick Steadman, the governing body consists of John Fleming, Chris Sharp, Windell McCrackin, and each of the class presidents.

At the council meetings on the first and third Mondays of each month, these men discuss and plan matters that present themselves such as large undertakings like the Winter Ball where Claude Thornhill furnished the sweet music for the Wofford dance-lovers at the V. F. W. Club.

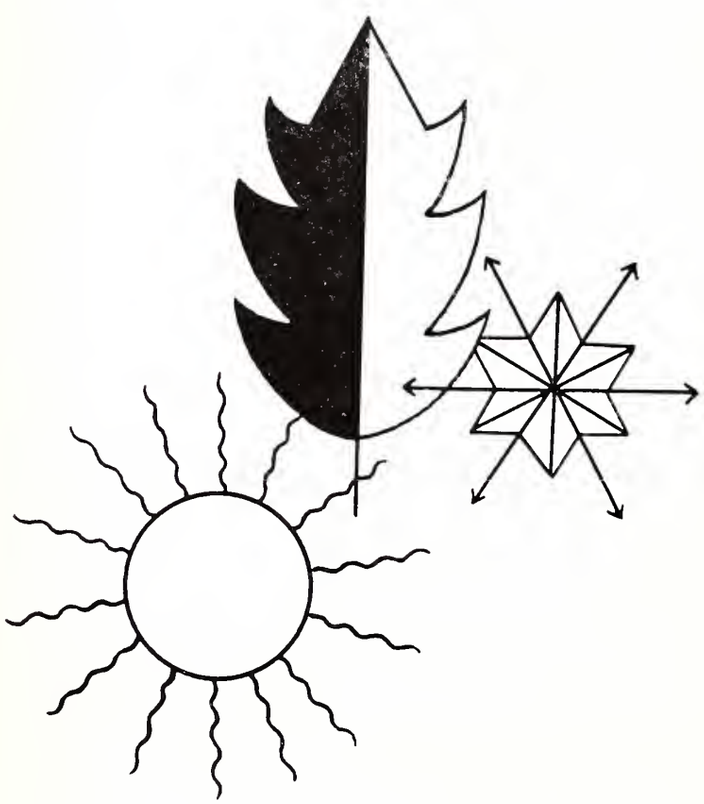

At last, after so many years without a meeting place, the council was given a room in Greene Hall.

IN CLASSES

The Senior Class of 1951 elected Willis Woodham to serve as its president in a run-off between Willis and Charlie Bundy. The vice-presidency was automatically filled by Bundy. John Covington won the race for secretary, while Jim Fowler and Phil Gibbs were elected treasurer and historian, respectively.

The seniors lined up in the canteen with great pride and joy when Troy Newman of the Balfour Company took orders for the long-desired Wofford rings. At last the time had arrived when the class of '51 could sport their class rings as a symbol of their seniority.

Many seniors are wondering what Uncle Sam will say about their futures. Many expect to enter the service as soon as graduation rolls around, if not before. Whatever the outcome may be, the class of '51 will go forward courageously.

Now that we juniors are upperclassmen and have passed the halfway point in our college days, the more serious and complex problems of life begin to confront us. By now most of our required work is history, and consideration of our major subject is the height of conversation.

Our junior class has many new students. Most of them are transfers from junior colleges. All have entered into get-togethers among classmates and are like old Wofford students.

"Cootie" Carlisle, as he is known about the campus, is our popular junior class president. Steve Austell, the boy with the great (?) tenor voice is our vice-president. Gene Elam, Ernie Branch, and Earle Rochester are secretary, treasurer, and historian, respectively.

Next year will be our last year at dear old Wofford. Many of us will have to take over the important jobs vacated by the graduating seniors. With this in mind, we should find the last year our greatest.

REFRESHMENT CENTER
COME INTO PARLOR

To start our second year in college in the proper way, we sophomores all visited Snyder Hall to welcome the new freshmen to Wofford. Many of us were on the S.C.A. welcoming committee to greet the freshmen and introduce them to college life. Seeing freshmen running about the campus at first seemed strange to us. To have a class below us tended to make us feel important.

Under the capable leadership of Henry Sims as president of our class, we sophs continue to keep the campus buzzing about romances, parties, complaints on quizzes, and any other topics of discussion. John Cottingham, the boy from Charleston, is our vice-president. Our secretary is Robert Earl James; our treasurer and historian are Ernest Little and Bill Moody, respectively.

Next year, if Uncle Sam doesn't nab us, will bring us one step higher in college . . . a more serious step, too. At present we still need to work and get our required work completed.

N I N E T E E N F I F T Y - O N E

We freshmen have had just about a full year at Wofford now. Gone are the high school days which are but a vague memory. College life is like a mad rush in comparison to high school days. Orientation week, rush week, football season, Christmas holidays . . . always a rush.

Rush week was filled with excitement. Fraternity party after fraternity party was given. Some of us had a difficult time trying to decide which fraternity to join. Now that it is all over, we have joyous memories of how we were confused.

Gene Reinartz, who lives here in the freshman quarters, is the president of our class. Mom Helms, our house mother here in Snyder Hall, is loved by all of us. We all wish that she could move with us to the upperclassmen dormitories.

We freshmen participate in various campus activities. Almost all organizations have some freshman representatives. The interest in these activities should remain until next year, which is going to be a big year for us.

The 1951

After a continuous drive of hard, tedious, and prolonged work from September to March, your 1951 Bohemian is off the press. At times this sacred masterpiece seemed only a dream, but now it has become a reality, another volume in the history of Wofford College.

The 1951 Bohemian required careful and precise planning. The entire book was produced on a systematic basis which, in the final analysis, enabled us to meet deadlines. Room 320 Greene Hall, where copy was prepared for press, showed much activity during the cold winter. All the copy deadlines were met through long hours of unrestrained work and sleepless nights.

Editor Tommy Ford could always be seen busy, either with the speed graphic camera in his hand to photograph a group or an individual, or interviewing some student or faculty member for copy. Business Manager Pete Blackwell, in his little brown Plymouth and later a black Ford, could be seen dressed to kill leaving school repeating that slick sales talk which helped to finance the 1951 Bohemian. Robert and Lynn Youmans beat their feet around Spartanburg's sidewalks using their sales talks, also, as assistant business managers.

Doug China, Ford's assistant editor and mascot, furnished good public relations for the Bohemian plus gags and funny expressions for the student body . . . Bill Barringer and Mel Derrick did a fine and thorough job of covering sports . . . Ralph Bailey, associate editor, helped take the dread out of copy writing by putting a little spice into the material . . . Sidney Fulmer eased Ralph's many assignments and headaches . . . Phil Gibbs was either looking through the camera saying "watch the birdie" or scratching on a drawing pad, as you can see by the class section sketches . . . Joe Tyler kept his hands in hypo to develop last minute pictures.

All of this hard but enjoyable (????) work built the 1951 Bohemian, a book that you can cherish along with other memories of your college life.

Gold and Black

To spread the news is the weekly task of the Old Gold and Black. Everything that happens on the campus—from a hot editorial lead to news bits gathered from neighboring institutions of the weaker sex—are covered and written for the consumption of Wofford men.

Homecoming's color can legally be attributed to the efforts of the Old Gold and Black staff, as they sponsored the annual Homecoming Queen Contest and half-time ceremonies. Betsy Thomas was the color this year.

Burning the midnight oil for the first semester was Editor Ralph Bailey who bestowed this honor (???) to Jack Carroll for second semester . . . Robah Heggie and his assistant, Chris Sharp, walked Spartanburg's Main Street for ads so the OG and B could be circulated . . . The function of the Journal, Wofford's literary magazine, is to print the best of student poetry, stories, essays, plays, and other literary forms. The function of the editor, Ed Berckman, and his staff is to coerce the students into writing and to coax them to relinquish their precious works.

Bill Duke was the editor's right hand man in this function. Other valuable assistance in other tasks came from Tommy Jones, Charles Weaver, and Bob Hall. Walton Bass, William Schereck, and Jack Seiler were among the more prolific contributors.

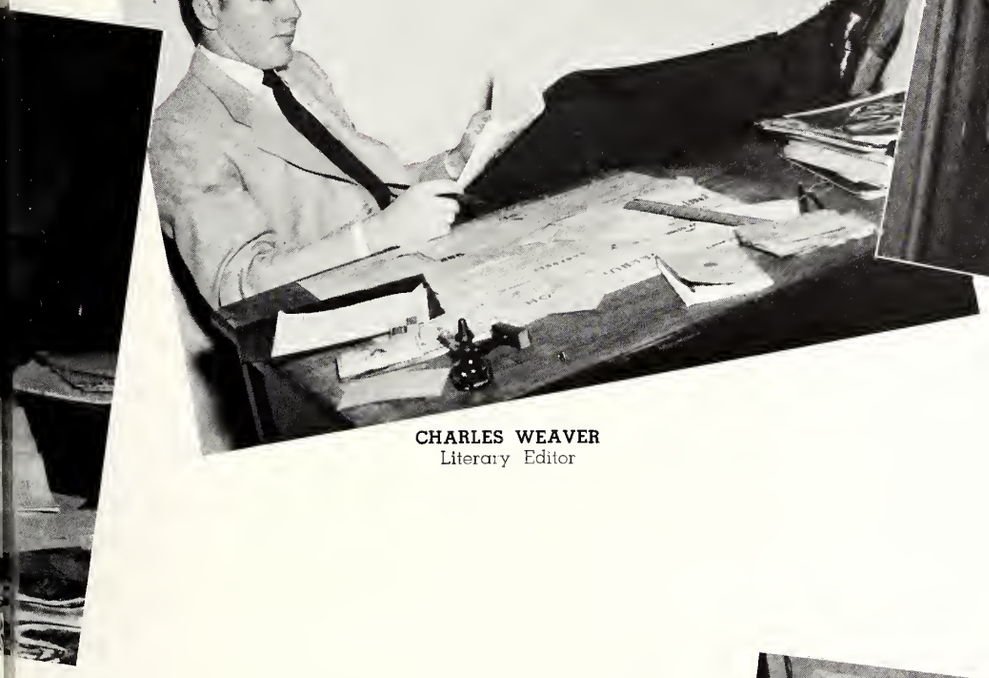

Art Editor Phil Gibbs consistently turned out very impressive covers. Outstanding features this year were a collection of war poems by Schereck and an abundance of all types of poetry.

Last but far from least comes the business manager, Ralph Rogers, and his staff who kept accounts in the black by tireless solicitation of advertisements

Who's Who

For national recognition in the annual edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES, the Wofford departmental heads each year elect outstanding seniors. Approved by the Dean's office and elected upon the basis of such qualifications as the student's scholarship, his cooperation and leadership in academic and extracurricular activities, his citizenship and service to the school, and his promise of future usefulness, these men thus honored have just cause to be proud of their achievements in college life.

These Wofford seniors selected to appear in the 1950-1951 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES are Charlie Blakely, Tommy Ford, Phil Gibbs, Phil Jones, Whit Kennedy, Dick Steadman, Tommy Williams, and Willis Woodham. Each member is awarded a certificate of recognition and is benefited by the placement service which is an adjunct to the international honor program.

Each succeeding Senior Order of Gnomes is selected by the old Senior Order near the close of the school year.

Phil Jones, Dick Steadman, Tommy Williams, and Willis Woodham were the selections from the class of 1951. Phil is president of the Student Christian Association; Dick is president of the Student Body; Tommy is president of Blue Key and Kappa Sigma; Willis is president of the Senior Class and Kappa Alpha. All four men are members of Blue Key and were selected to appear in the 1951 edition of the WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES publication.

Blue Key, National Honor Fraternity, was instrumental this year in bettering the relations between Wofford and P. C., especially during the football season. Exchanged chapel programs sponsored by Blue Key were responsible for the improved relations, and consequently no "invasions" were held this year.

New members are accepted by a unanimous vote in the Fall and the Spring of each year. Membership is limited to juniors and seniors who show good character and personality, are recognized as leaders in scholarship and college activities, and maintain an average above all men's average at Wofford.

AMERICAN CHEMICAL SOCIETY

The Pre-Chemical Society, organized on the Wofford campus in September, 1948, under the auspices of the American Chemical Society, was granted its charter as Student Affiliate Chapter of the American Chemical Society in February, 1949.

Students interested in chemistry and planning to continue their study in this field compose the membership of the society. Programs of various technical matters are presented by students and area chemists at the semi-monthly meetings of the group. Tours of the local chemical industries and joint meetings with the regional American Chemical Society are held as further items of interest in the field of chemistry.

PRE-MEDICAL SOCIETY

The Pre-Medical Society of Wofford College was founded in 1946 by a group of particularly interested pre-med students who felt the need of a better understanding of the practice of medicine to further their interest in the profession. Lectures by prominent persons of the local area in the field of medicine and surgery on topics of special interest are presented to the group at its monthly meetings.

Membership in the society is achieved only by invitation, based upon a creditable standing, a record of worthy service, and recognition of potential ability.

Allen Mackenzie of Spartanburg has been the active president of the organization for the 1950-51 school year. Dr. Ray Leonard of the Biology Department is faculty advisor to the group.

Wofford's Glee Club celebrated its fifty-seventh season this year when it began its annual tour of lower South Carolina. The sixty-odd voice group yearly distinguishes itself as one of the best of its kind to be found at any school, and the club has proved a most satisfactory means of presenting Wofford to the people of South Carolina.

Director Sam Moyer, who has directed the group for the past four seasons, is himself an added attraction to every program, and his know-how and popularity among the singers has made the Glee Club an integral part of the extra-curricular activities of the school.

South Carolina cities at which concerts were given on the Spring tour this year were Camden, Florence, Hartsville, Marion, Kingstree, Walterboro, Orangeburg, and Sumter. One night stands were made in various other nearby cities.

The Wofford College Band, though small, is an integral part of the college activities. After playing at the flag-raising ceremony at the opening of the school year, it is the nucleus around which cheer at pep-rallies, the annual shirt-tail parade, and football games is built. The band leads the student body in giving the traveling football team a pep-filled send-off. During the spring, the band plays for all home basketball games and the band highlight of the year is the spring concert.

In addition to its campus duties the band is frequently asked to participate in civic activities. The Wofford College Band leads the Christmas parade and participates in many ceremonies such as Navy Day and Legion Memorial Day.

For the past two years the membership has been on a scholarship basis. The scholarships are awarded on the merit of playing ability and instrumentation need.

The Student Christian Association is the only organization to which every Wofford student belongs. Operated by students, its purpose is to establish and promote Christian thought and convictions, to offer the opportunity of worshiping simply and reverently, to promote fellowship, and to maintain and improve those Christian ideals that have made Wofford what it is today.

MINISTERIAL UNION

REGGIE GARREN
President

The Ministerial Union is one of the several groups on the Wofford campus which strives to make religion vital to all students. It consists of students who are planning to enter full-time Christian service. Regardless of denomination, these men meet together for fellowship of devotion to their common cause and for mutual encouragement in facing their challenge.

During Religious Emphasis Week, held on the campus during the first weeks of March, the Ministerial Union works with the Student Christian Association to make this week an important one in the religious life of the students.

Reggie Garren, from Myrtle Beach, is president of the group. Jack Wilson, Eugene Eaddy, and James Hicks are vice-president, secretary, and treasurer, respectively.

Meetings are held every Thursday morning during Chapel period and the first Monday night of every month. Weekly meetings are conducted by students. Monthly meetings usually consist of outside speakers who present appropriate advice for these future ministers.

A REGULAR WEEKLY MEETING OF THE MINISTERIAL UNION.

BAPTIST STUDENT UNION

JIM SCRUGGS
President

The Baptist Student Union has as its main purpose the linking together of the Baptist students with the local church activities. The work is directed by an organized council of ten students, a faculty advisor, and a local pastor advisor. This council meets weekly to plan the BSU activities.

A general meeting of all Baptist students is held each Thursday morning. This meeting is devotional in nature. Student speakers are used, and often there are visiting speakers.

Special weeks of emphasis are observed throughout the year such as Evangelistic Emphasis Week and Vocational Emphasis Week. In the fall of the year there is a State Baptist Student Convention attended by Baptist college students from all the colleges in South Carolina. In the spring of the year a Retreat is held for the newly elected members of the councils of the State.

The BSU sponsors parties and social get-togethers with other college students of the City. There are exchange programs with colleges in the City and in the State.

El Circulo Espanol is a reorganization of the former Spanish Club, which has not been active on the campus for the past two years, with Harvey Floyd as president, Gene Womble as vice-president, Ron Bryant as secretary, and Ben Cromer as treasurer.

The purpose of the Circulo is to create interest in the Spanish language and civilization and to give its members practice in the understanding and the speaking of the language in an informal situation.

The program usually includes a skit in Spanish which occasionally is an original dramatic creation by one of the club members, based on the experiences of distracted Spanish professors trying to teach American students the Spanish language or of tourists getting into embarrassing situations in Mexico.

WOFFORD DAMES

The Wofford Dames is a social group composed of the 91 married Wofford students' wives. Monthly meetings are held in the lobbies of Carlisle and Greene Halls, alternating respectively each month. Interesting programs are presented on such topics as styles, flowers, and other items of womanly interest.

This year the club raised $200 for the Student Loan Fund of Wofford through activities of student interest such as the baby contest and the halloween carnival.

The Camera Club, organized on the campus in the fall of 1948, has not been of an active status until this year. Membership has been confined to a few students, but any student interested or showing knowledge in the field of photography is entitled to membership.

The primary aim of the club has been to promote an understanding and application of photography emphasizing the creation of a photographic service for the Bohemian and Old Gold and Black. To meet last minute publication deadlines for the latest activities and happenings in pictures, the staff set up a darkroom in the basement of the Recreation Hall in order to be able to process pictures more quickly.

The members of this group are: Phil Gibbs, Bohemian staff photographer; Joe Tyler, Old Gold and Black staff photographer; and Bohemian free lancer, Tommy Ford, who rush exposed film to the darkroom for fast processing. Joe and Phil are to be credited with highly efficient darkroom techniques and procedure. Russ Froede could be seen in the stand at football games with his German Leica taking angular action shots that were impossible from the sidelines.

The darkroom is equipped for efficient photographic service. The equipment is of service to the club through the kind graces of Joe Tyler. The club is indebted to Bill Morris, Publicity Director of Wofford, for the use of his speed graphic camera which makes this service possible.

It is hoped that next year some method of giving instruction in the field of photography to all interested students can be accomplished.

This gives them a chance to learn the business for themselves. Another asset is the installation of a grill, giving students a more varied choice of food.

The handling of the college text books and school supplies is the canteen's main purpose and proves to be the workers' biggest task.

After ably serving the Canteen for two years, McNeill leaves Wofford this year to enter Emory University. Dr. Greene will appoint another man to succeed him as manager this fall.

Commanding

The Drill Team is a voluntary organization of thirty-three men with Chris Sharp of N. Augusta, S. C., as the commanding officer. The team is under the supervision of Col. Howard D. Balliett and M/Sgt. James A. Poindexter.

Practices are held every Tuesday and Thursday. The reward for being a member of the Drill Team is the letter grade raising in the student's final military grade rating.

The team won many fans during the football season as they drilled between halves of the home games. A cold rain did not stop the team from adding color to the 1950 Homecoming Parade; they performed, using white straps and white gloves.

The Wofford Rifle Team offers a man an opportunity to compete each week with other members of the team. Each man fires twice a week and the six highest men of the week fire in that week's match.

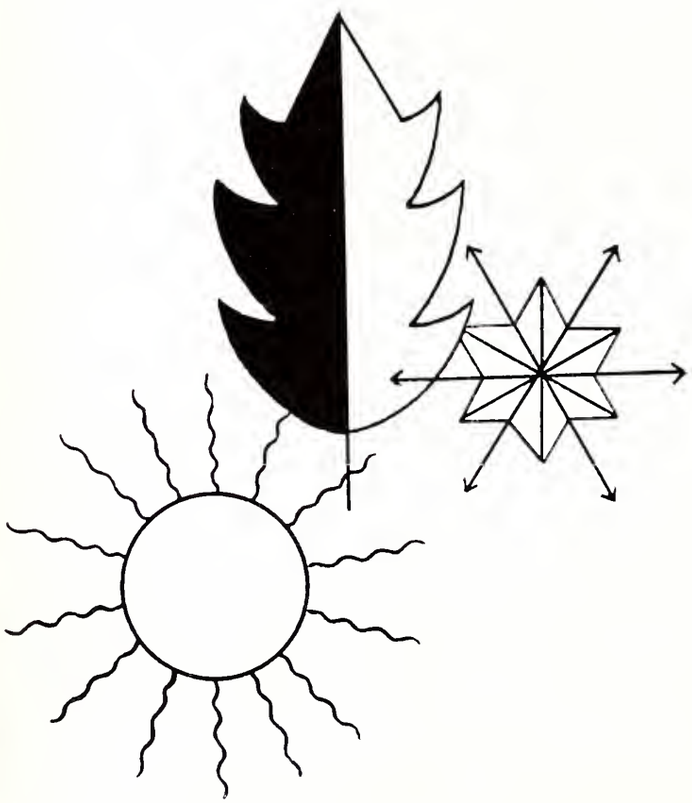

Whether an actual match or a "mail-in", one match per week is usually held.

Wofford placed third in the State meet which was held in February at the Spartanburg Armory with Wofford as host school.

This year's team consisted of fifteen men with Phil Gibbs group captain and Sgt. J. A. Justice advisor.

IN THE FRATERNITIES

INTER-FRATERNITY

ED TEAL
President

During the year the Inter-Fraternity Council, composed of the six Greek-letter fraternities on the campus, was a constant guard over fraternity activities at Wofford. Each of the six fraternities elects a representative for membership in the Inter-Fraternity Council.

Under the leadership of President Ed Teal, an effective rushing program was carried out during the first semester. The prospective group of brothers was small, but worthy. A change in the constitution regarding pre-season rushing was a big accomplishment.

The Inter-Fraternity Council again sponsored the Homecoming Dance in October as a highlight of the Homecoming activities.

The Alpha Sig's were the top team in intramural sports first semester. Second semester will see them fighting to stay on top.

Holding their bang-up rush party at The Village, the Alpha Sig's pledged ten men after a successful rush season.

Homecoming was a big occasion with Alpha Sig alumni and brothers. A big get-together was held in honor of the visiting alumni.

Parties are held about every two weeks for the ASP's. The big and final activity for the year is the formal dance and banquet held each April.

The Delta Sig's claim the number one man about the campus, Dick Steadman, Wofford's student body president. Windell McCrackin, student body treasurer, is another Delta Sig dignitary.

Twenty-one pledges were obtained as a result of a splendid rush season for the Delta Sig's. Rush parties were held at Thomas' and The Marine Corps League clubhouse.

Highlights of Delta Sig's activities for the year are: support to a poor family; joint parties with the Kappa Kappa Kappa sorority of Limestone; chapter parties about every two weeks; and as a climax, the annual Sailor's Ball and Founder's Day Banquet in the Spring.

Dick Steadman and Windell McCrackin are members of Blue Key. Steadman is also a member of the Senior Order of Gnomes and Who's Who.

IN ATHLETICS

Wofford's

COACH PHIL DICKENS

Fans didn't expect too much from Phantom Phil's Terrible Terriers when the first game of the 1950 season rolled around. Sure, they had lost only one game . . . to a power loaded Florida State squad in the Cigar Bowl . . . in their last 23 outings, but gone were All-Staters Harvey Moyer, Sammy Sewell, Elby Hammett, and Bob Prevatte. Gone, too, were many of the other offensive and defensive standouts who had paced Wofford to two consecutive undefeated seasons.

Even with Rice, Starnes, Beeler, and Fleming to take up the slack in the backfield, and Pollard, Quick, Thuston, Creech, Barbare, and Gordon returning for line duty, the Terriers were doped to lose their very first game of the season. But they pounded the once mighty Auburn Tigers in the dust in their opener, and went on to finish their slate with a highly respectable seven won, two lost, one tied record, plus an undefeated Little Four season and the South Carolina small college crown. Bob Pollard, Wofford's terrific guard, was selected for the All-State team, while Jimmy Gordon was chosen second team All-State, and Jack Whittied, Elrod Cheatham, Bobby McLellan, and Jack Beeler made third team.

The man directly behind this excellent showing was, of course, Coach Phil Dickens. Phantom Phil's Wofford clubs have lost only 8 games in the 4 years he has been here as head coach, 5 in his first year. But even more impressive than that great record is the old Wofford spirit which Dickens has instilled in his teams. He has been all for "his boys," and a glance at the Terrier record will show that they, in return, have been all for him.

The Terriers didn't have a chance, according to the dopesters. But somebody forgot to tell Phantom Phil and his Terrific Terriers, so they strolled out on the green turf of Cramton Bowl, and proceeded to crush the highly favored Auburn Tigers. The big boys in the startling 19 to 14 victory were three Bobbies—Bob Starnes, Bob McLellan, and Bob Pollard. McLellan, a 19 year old soph playing his first varsity tilt, scored twice and passed for another TD; Starnes was the key in the Terriers' downfield marches as he moved the ball along with accurate passing and clever running; and Pollard covered three fumbles to set up the Wofford drives to paydirt.

The Stetson Hatters, a red hot football team from Wofford's jinx land of Florida, gave the Terriers the other outlook on upsets as they pulled 17 points out of their hats in the third quarter to wrap up a close 23 to 20 victory. The loss was the first in 25 regular seasonal encounters for the Dickensmen. Wofford matched touchdown with touchdown with the Florida squad, but a difficult angle field goal by Left End Martin made the difference in the tilt. Jack Whittied scored the first Wofford six-pointer after Vernon Quick intercepted a Hatter pitchout and lateraled to him. Jack Beeler passed for the other two tallies in a Terrier rally cut short by time.

TERRIERS TAKE CARSON-NEWMAN

21—13

Spotting the Carson-Newman Eagles a 13 to 0 lead in the first quarter, the terrific Terriers roared back to push their season's record above the .500 mark by nosing the Tennessee team 21 to 13. Two native Tennesseans sparked the South Carolina squad to the win. They were Jack Beeler, who came through with some fine running and passing, and "Rockhead" Whittier, who steamrolled across the first two Wofford scores. The last marker was Beeler's baby. Starting from their own 12, the Terriers' drove to the 45 yard line. Then Beeler peeled off a 14-yarder to Jack Abell and tossed 31 more yards to Dave Rice, who skipped over for the score. End Dennis Barbare kicked all three extra points.

Wofford's old Florida jinx, paired with a gigantic Tampa University line, was enough to hand the Terriers their second and most decisive loss of the 1950 season. The defeat was only the third in their last 27 outings for the Dickensmen, and oddly enough, all three tilts were won by Florida teams. There was nothing odd about this loss, however, as the Tampa Spartans outweighed the Terriers a good 25 pounds per man and had only 13 men on their entire varsity squad that tipped the scales at under 200 pounds. Charles Harris took a 34 yard screen pass for the first Tampa tally and Eldridge Beach slanted three yards off tackle for the other score. Milo Marovich converted. A terrific goal line stand by Wofford stopped the Spartans cold on the Terrier one yard line later in the game as the exhausted gridders played their hearts out in the losing battle.

Playing without the use of seven regulars, the Terriers entered their traditional tilt with Presbyterian College as two touchdown underdogs. But subs and freshmen pressed into duty came through with that old Wofford spirit to start off a new Terrier winning streak with a resounding 28 to 7 victory. The Blue Hose pushed to the Wofford two yard stripe early in the game, but Pollard and Quick and the rest of the Terrier forward wall shoved them back to the 13. Then Wee Willie Varner broke the game wide open in the third canto as he recovered a P.C. fumble in the end zone for a score, and Dennis Barbare kicked the first of his four conversions. "Rosie" McLellan bulled across for two TD's and passed for another to take individual scoring honors for the day, while Wiles, Brock, Loveday, Cheatham, Kelly, Varner, everybody stood out in what Coach Dickens called the "greatest victory of my coaching career."

The Terriers added another victory in their quest for an undefeated Little Four season on a cold, wet field at Newberry, S. C., where they tripped a hustling Indian eleven, 21 to 0. Although the eager Wofford line outcharged and outguessed the home team all night to stop the Newberry offensive for a rushing average of minus 48 yards, the Terrier plays sputtered and stalled for only three touchdowns against the underdogs. McLellan repeated his P.C. and Auburn feats of scoring two six-pointers and passing for another, but the outstanding run of the night was made by "Big Bill" Fleming, who scooted 52 yards on a quarterback sneak to set up the final Wofford tally. Outstanding also, was the running of all three wingbacks: Rice, Powers, and Elrod Cheatham, who was making his first offensive showing of the season.

Man of the minute was Jack Beeler, who was trapped behind the line of scrimmage with less than a minute to play and barely got off an underhanded lob to Jimmy Gordon for the score. Then Dennis Barbare came in to calmly boot the extra point that tied the score with 23 seconds remaining on the clock. Besides Gordon, Dave Rice and Barbare were the big receivers in the Wofford passing attack. Beeler scored the first touchdown on a flash over left tackle. Elrod Cheatham, installed as safety for the first time in his varsity career, zipped 74 yards for a six-pointer that was called back.

48—0

Scoring in every quarter, the Terriers wrapped up their second consecutive Little Four championship without a defeat as they smashed the Erskine Flying Fleet, 48 to 0. Although Coach Dickens attempted to reign in his squad by breaking up his offensive combinations, there was no stopping the Terriers. "All the Way Elrod" finally got himself a touchdown by sprinting 47 yards with a punt return, even though he had another trip to glory land via a 65 yard kick return called back. Gabby Wiles galloped 71 sensational yards for another Wofford score on a punt return, while Beeler, Abell, Whittier, and Glenn also scored, with Glenn taking credit for two tallies. After Dillard Whittier had plunged across for the first six-pointer, the Terriers kicked off, held High Point for downs, and then marched 78 yards for another tally. Jack Beeler scooted around end for the last seven yards. Wofford added other TD's when Jim Hudson raced 52 yards with an intercepted pass in the second quarter, and Burnie Miller dived over from the one yard line in the last period. High Point's best offensive showing of the day came when they marched to the Wofford six, but alert Terrier line play quelled the threat.

Handicapped by injuries to key players, and playing the team rated as the toughest opponent on their tilt list, the Terrific Terriers came from behind twice to upset the flashy Eastern Kentucky Maroons 14 to 12 in the Wofford season finale. End Dennis Barbare booted two perfect conversions to provide the slim margin of victory. The Maroons hopped off to a quick lead when Billy Emmett raced around left end for 15 yards and six points, but Wofford bounced back to score seven plays after the next kickoff. Starnes fired a six yard pass to Dave Rice for the TD, and Barbare kicked the extra point to put Wofford ahead. In the third quarter, Carl White intercepted a Terrier pass and raced 60 yards to tally for EK. Several plays later, Charlie Blakely pounced on a Maroon fumble and Wofford roared down the field to the EK one foot stripe. Three running plays failed, but the injured Burnie Miller came off the bench to bull across for the winning score with less than two minutes left to play.

TERRIER CAGEMEN

COACH JOEL ROBERTSON

Just what kind of league is this Little Four conference, anyway? That's what Terrier fans, players, and coaches were asking themselves when Wofford closed out their cage season by losing a 77 to 74 thriller to Erskine. That loss pushed the Terriers down into a tie for third place in the four team Little Four. But it also meant that Wofford officially became State Champions of South Carolina on a basis of all games won and lost.

Coach Joe Robertson's crew, sparked by six "Iron Men" who played practically every game, won 13 games and lost only 7 in regular seasonal play for their best record since the days of Charlie Seay and company. Included in those wins were two victories over Furman, a 91 to 88 slapping handed out to arch rival P. C., and a record breaking 101 to 83 win over nationally ranked Georgia Teachers.

The Terriers were a high scoring outfit who averaged 76.6 points per game. No wonder in that, though, when you take into consideration that 6 ft. 10 in. "Daddy" Neal set a new Wofford scoring record with 417 points in 20 games. The previous high was Charlie Seay's 303 points in 22 tilts.

Five of the six "Iron Men" hit at least 23 points in one game and the sixth, Mac Patton, bucketed 17, not a bad night's work. Bill Moody racked 23 tallies in his best contest; Carol Beavers hit for 24; workhorse Jack Abell and Captain Skinny Powers both hooped highs of 27, and "Daddy" Neal was good for 34 points in his best outing.

Under the able leadership of Bill Thuston, the Block "W" Club displays the outstanding honor that each prospective member received upon earning a block letter through participation in one or more of the major sports.

To sidelight the sports activities for Block "W" society, the club members throw a few stag parties during the semester. The Block "W"-Faculty basketball game is always an annually awaited hilarious feat. The Gold and Black game in the Spring is sponsored by the club.

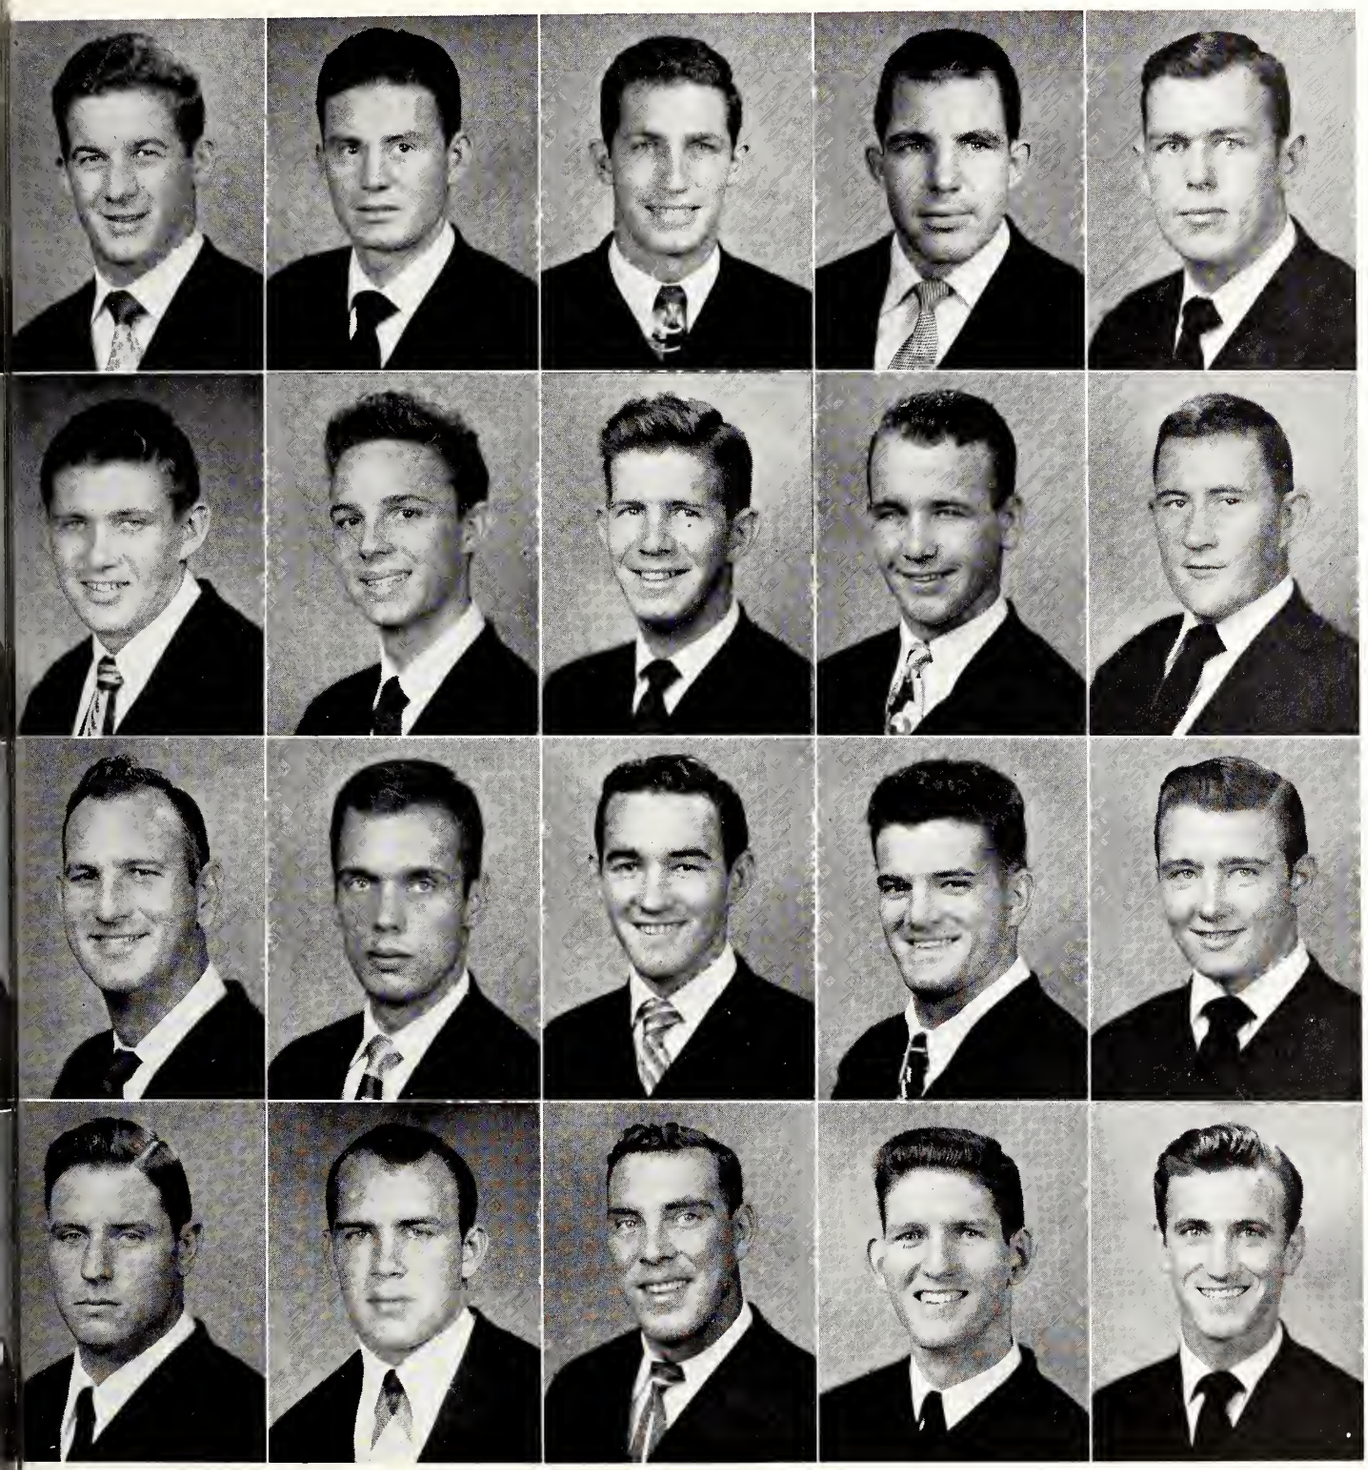

To keep the bank account up, the club handles the concessions at the basketball games.

As a highlight of the year, everyone in Spartanburg as well as on the Wofford campus awaits the Block "W" parade for new initiates in late Spring.

Here they are! These are the men that clown around, shout and yell, plead for more noise, and plan pep rallies in the wee hours of the morning—the cheerleaders.

It is not all play, as the cheerleaders are responsible for planning pep rallies, decorating, following the team, and leading the yells.

The gang has plenty of color with John Roper, the head cheerleader, and Bill Jenerette, Roger Bragdon, Johnny Gill, and Jimmy Gill assisting.

Only six lettermen returned to bolster Coach Wilbur Steven's baseball team this season. They were outfielders Jimmy Suber, Mac Patton and Delmer Wiles; shortstop Junior Harrison; catcher Pee Wee Lambert; and pitcher Gus Knox.

After the seasonal opener with strong Boston University, one of the better college clubs in the nation, the Terriers battled through a fourteen tilt schedule with teams here in the state. Although handicapped by the lack of lettermen and left handers, the diamond crew came through with "that ole Wofford" spirit to win their full share of games.

Wofford's golf team—sparked by two lettermen and boosted by several newcomers—waded through a rugged ten game tilt list and two post-season tournaments this spring. Matches were held on a home-and-home basis with Furman, South Carolina, Newberry, Presbyterian, and Clemson, with the Tigers furnishing the opposition in the season's opener.

Then the Terriers participated in the Southern College Tournament in Athens, Georgia, on May 10, 11, and 12, and closed their schedule by playing host to the South Carolina Intercollegiate Tourney here last May 15, 16, and 17.

Returning lettermen were Ed Moss and Joe Pate, while other outstanding candidates included Joe Box, Gene Elam, Vernon Harwell, and grid star Jack Beeler.

The Terrier cindermen, minus many of their 1950 stars, got in only two weeks of practice before they opened with Furman University last April 14. Lettermen reporting to Coach Stapleton last spring were Willis Woodham, Dave Rice, Jimmie Brock, Dennis Barbare, Willie Varner, Jim Rowland, "Doc" Fields, and Doug Loveday, while other outstanding candidates included Ray Lamm, Bobby McLellan, and Eli Sanders, as well as many of the football squad who reported in after spring grid practice.

...INTRAMURAL SPORTS

BLITZBALL ACTION.

The intramural sports program at Wofford was a very successful one this year. In student participation Wofford stands second to Princeton University in the nation, having 72 per cent of the student body participating in the intramural sports program. The program consists of basketball, blitzball, bowling, free throws in basketball, handball, ping pong, softball, tennis, touch football, track and field, and volleyball. In bowling and ping pong individual champions are crowned as well as team champions. This year there was only an individual champion in handball as team match play was excluded.

For the first time, the intramural sports program this year had the addition of a new basketball court to the field house which is only used for intramurals. When necessary the court can also be used for blitzball and volleyball. The new addition is equipped throughout. Three new tennis courts and two volleyball courts have been added for student use. A recreation room in Greene Hall is equipped with three ping pong tables, nets, paddles, etc., another new addition.

The Faust-Robinson Trophy is awarded at the end of each year to the team with the highest record of points according to the point system used. The trophy must be won three times before it is permanently kept.

MR. JOHN ROBERT POWERS

The Bohemian takes pride in having Mr. John Robert Powers, of New York, judge its first beauty section in eleven years. The four beauties selected by Mr. Powers were the result of a beauty contest held by the Bohemian during the Fall. The contestants' pictures were judged by Mr. Powers.

It is hoped that the beauty section will add to the attractiveness of the book as well as bringing pleasure to the reader.

Mr. [illegible]
Editor, 1939 "Bohemian"
WOFFORD COLLEGE
Spartanburg, S. C.

Dear Mr. Ford:

It has been a great pleasure to judge the beauty contest for your yearbook, "Bohemian." The photographs of the candidates, which you submitted, were all so attractive that I found it difficult to make a decision. It was also difficult to make my selection without seeing and talking to each contestant.

The winners, Laura Ann Belcher, Becky Dabney, Joyce Rouds, and Dorna Caldwell, were selected on the basis of personality, character, and intelligence, as well as for natural beauty. My choice was influenced, of course, by my great interest in and admiration for the Natural Girl.

If the contestants are ever in New York, it would be a pleasure to meet them. With best wishes to the contestants, to the staff of the "Bohemian" and to the students of WOFFORD COLLEGE, I am

Sincerely yours,

John Robert Powers
